Sponsorship Information

The Cambridge Saddle Club (CSC) is a non-profit organization that was formed in the 1940's by a group of folks who liked to trail ride and show their horses. During this time, meetings were held in the home of a member or at a "ride in area" after a trail ride in the summer and fall.

Today, the Cambridge Saddle Club continues to promote a relaxed atmosphere for riders to come spend time with their horses on the beautiful CSC grounds! Through our horse show and gymkhana events, we offer riders and horses of all levels and skill an opportunity to show and compete in a fun, friendly environment.

In an ongoing effort to positively impact the success of our events, we look to the support of local businesses and communities. Even the smallest donation goes a long way to help the CSC recognize our exhibitors and enhance our programs.

Specifically, if you feel your business may be interested in sponsoring our horse show series, any contribution would be meaningful and greatly appreciated! A monetary contribution can be made, as well as a donation of a product or service.

Thank you so much for your time and consideration regarding sponsorship possibilities. The Cambridge Saddle Club looks forward to your response.

Sincerely,

Donna Sausville
CSC Secretary
