

CULVERT REPLACEMENT REQUIRING ROAD CLOSURE AND DETOUR ROUTE 372 EAST OF VILLAGE OF GREENWICH JULY 11 – SEPTEMBER 2, 2011

As part of the current Route 372 improvements project, Route 372 will be closed to traffic at the Marshall Brook crossing, just east of the Village of Greenwich, from Monday, July 11 through Friday, September 2.

During the closure, the official detour route will use State Routes 22 and 29 (see map below). Trucks starting or ending trips at locations between the Villages of Cambridge and Greenwich may need to “backtrack” on Route 372 to access the detour route.

All homes and businesses in the area will continue to be accessible during construction. Local officials and emergency response agencies have been notified of the planned closure and detour.

For more information, please contact the project’s Engineer in Charge:
